**Dosage**

- in black-loaded compounds [phr] 3 - 5
- in light-coloured compounds [phr] 5 - 6
- Sulphur [phr] 1 - 2
- Additional accelerator not required

**German Food Legislation (BfR recommendation XXI)**

not approved

**US Code of Federal Regulations, FDA - CFR Title 21, Part 177.2600**

not listed

**Supply Form**

25 kg in cardboard boxes with PE-inliner

**Storage Stability**

In originally sealed package in dry places at max. 25 °C min. 12 months

**Classification and Labelling**

For detailed information, please refer to our Material Safety Data Sheet.

**Application**

- For non-blooming, non-staining EPDM articles
- Deovulc EG 3 is suitable for general application, if requirements to cure rate and/or compression set are not too high.

**Blooming**

No blooming phenomena have been observed so far. In view of the multitude of possible compound formulations, freedom from bloom can not be guaranteed.

**Notes**

For detailed description of technological effects and dosages see DOG-Kontakt 43.
